3rd Rosefield Conference on Circular Economy in Used Oil

Embarking into the EPR era!

Conference: 20th June, 2024

Taj Palace, New Delhi

Chief Guest

Dr. Vijay Kumar Saraswat

Member, NITI Aayog,
Government of India

Dr. Vijay Kumar Saraswat is a highly esteemed scientist and Member of NITI Aayog, renowned for his extensive experience in defense research encompassing both fundamental and applied sciences. Having served as the Secretary of the Defense Research and Development Organization (DRDO), he has made remarkable contributions to the indigenous development of missiles like Prithvi, Dhanush, Prahar and Agni-5 as well as the two-tiered Ballistic Missile Defence system. Dr. Saraswat played a pivotal role in establishing infrastructure to support the Nuclear Doctrine, developing cyber security technologies, and enhancing the nation's defense capabilities against ballistic missile threats.

Furthermore, he has been actively involved in the development of alternative energy systems, such as clean coal technologies, concentrated solar power systems and bioenergy, hydrogen based economies. He has been pursuing major initiatives in the Sustainable and Resilient transportation system viz. E-vehicles, FCV, Hybrid Vehicles and Hydrogen powered long haul transport system.

Dr. Saraswat has also made significant contributions to the advancement of technology, including the development of silicon photonics, the configuration of the M-Processor for ICT applications and the roadmap for the Indian Railway Research Institute.

As a Member of NITI Aayog, Dr. Saraswat has initiated the "Methanol Economy" program, aiming to utilize methanol for transportation, energy generation and chemical production. Additionally, he has chaired committees on technical textiles and body armor, contributing to the futuristic growth of these sectors in India. Dr. Saraswat's outstanding achievements have been recognized through numerous awards, including the Padma Shri and Padma Bhushan, as well as honorary doctorates from over 25 universities.

Inaugural Address

DR. VIJAY KUMAR SARASWAT
Member, NITI Aayog,
Government of India

3rd Rosefield Conference on Circular Economy in Used Oil

Embarking into the EPR era!

Conference: 20th June, 2024

Taj Palace, New Delhi

AGENDA

11.00 – 11.40

Session 1 - Setting the Resolution: Policy Perspectives

Key Takeaway - This session features esteemed speakers from government agencies including CPCB and MOEFCC, who have been instrumental in formulating the EPR's used oil policy. Attendees can expect a comprehensive overview of policy development, including the objectives and future aspirations of policymakers, along with invaluable guidance for all stakeholders.

PRABHJOT SODHI
*Sr. Director
(Circular Economy)
CEE*

VINOD BABU
*Nodal Officer (Waste
Management Division)
CPCB*

AMIT VERMA
*Director - Green Transition,
Environment and Climate
Change
Niti Aayog*

11.40-12.00

Networking Break

3rd Rosefield Conference on Circular Economy in Used Oil

Embarking into the EPR era!

Conference: 20th June, 2024

Taj Palace, New Delhi

AGENDA

12.00-12.50

Session 2- Navigating the Reality: Lubricant Producers' Role

Key Takeaway - This panel session showcases senior management representatives from India's foremost lubricant companies. They will articulate their primary concerns regarding the EPR policy from the perspective of lubricant producers, elucidate innovative strategies adopted by lubricant companies to navigate EPR challenges and share insights on the development and adoption of circular green lubricants.

KAPIL VYAS
Director
SGSPL

SHAKTI MISHRA
GM, Technical Services
HPCL

VIKAS GUPTA
CEO
Nandan Petrochem

BINU CHANDY
CEO

India

KAILASH SAWANT
Sales Director
Lubrizol

12.50-13.30

Session 3 - Global Practices in Circular Economy

Key Takeaways - In this session, delegates from prominent global re-refiners will offer invaluable insights into best practices for the collection and management of used oil. They will delve into the nuances of re-refining technology for the Indian context, as well as discuss customer and OEM acceptance of green lubricants.

DR. CHRISTOS KARAVASILIS
Chief Technology Officer
LPC (Greece)

MARIO MAJIC
Head of Strategic Business
Development, Marketing &
Corporate Governance
Avista Oil (Germany)

3rd Rosefield Conference on Circular Economy in Used Oil

Embarking into the EPR era!

Conference: 20th June, 2024

Taj Palace, New Delhi

AGENDA

13.30 – 14.30

Lunch Break and Networking

14.30 - 15.30

Panel Session 4 - Resolute Actions: Role of OEMs and Collection Agents

Key Takeaway - This panel session brings together senior executives from prominent automobile OEMs alongside the president of SIAM. Focused on the pivotal role of auto OEMs in fostering a successful circular economy, the session explores the challenges inherent in collecting used oil at OEM workshops. Additionally, it emphasizes the potential for collaboration between OEMs and lubricant producers to enhance the efficacy of the collection ecosystem.

PRASHANT BANERJEE
